My Theory With Regards To The War On Terrorism Is:

There Is Two Subsets Of War Taking Place At The Exact Same Time. Which Creates A Conflict With Each Other Feeding The Globalist War Machine With Fresh Troops For The Military and Jihadists Out Of The Mosques On The Other.

There Is War On The West Being Fought By The Left and Islamists.

While On The Other End There's A War On Islam Being Fought By The Right and Moderates.

Which Creates A Boomerang Effect and The Same Process Repeats Over and Over and

Then if I Had Gone Through With Carrying Out An Act Of Terrorism Against My Own Countrymen.

Then That Would Be Not Only Be An Act Of Terrorism But Also A Form Of Systematic Racism, Bigotry, Xenophobia and Islamophobia Against Every Muslim In This Country. Who In Fact Would Suffer More From The Fallout From Such An Event. Because Then The Government Gains More Control Over The Religion Of Islam With Each Successive False Flag Terrorist Attack. Therefore Corrupting The Religion Even More Turning Into A Political Movement Rather Than A Religion With Religious Motivations.

Which Creates More Tumult Or Oppression For Muslims In The Community Depending On The School Of Jurisprudence Or Line Of Thought Within Either Sunni or Shia Islam. Then The More Oppression That Occurs Because Of These False Flag Terrorist Attacks Carried Out In The Name Of Islam. Means That It Will Cause Even More Extremism From The Reactionary Efforts Of Muslims Trying To Regain Their Former Glory From The Hands Of The Oppressors Who Take The Religion Of Islam Over In Order To Control It and Use It To Fuel The Globalist War Machine.

Because.....

War Is Peace and Peace Is War

Freedom Is Slavery and Slavery Is Freedom

Diversity Is Strength and Strength Is Diversity

However The Way I Think It Should Be

War Is War

Peace Is Peace

Freedom Is Freedom

Slavery Is Slavery

Diversity Is Diversity

Strength Is Strength

Equal and Opposites React
